The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Crisis Management/Workforce Development System to enhance Safe Streets Violence Prevention Project in fiscal year 2022.

The entity to receive funding for this project is the Living Classrooms Foundation, located at 1417 Thames Street Baltimore, MD 21231.

The funding would be used to help address the underlying factors that contribute to violence in the Belair-Edison and McElderry Park communities in Baltimore by establishing a Crisis Management System that works in tandem with Living Classrooms Foundation's (LCF) Workforce Development System. The project will strengthen and expand upon their existing Safe Streets initiative by streamlining and increasing access to work through an existing and rapidly expanding network of essential skills training, job training, and job placement opportunities offered by both LCF and their partners.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John P. Sarbanes
Member of Congress
